

899 VANDERHOOF ROYAL CANADIAN AIR CADET SQUADRON RECEIVES

EMERGENCY COMMUNITY SUPPORT FUND GRANT

The Vanderhoof Community Foundation (VCF) is pleased to announce that the 899 Vanderhoof Royal Canadian Air Cadet Squadron (RCACS) through the Village of Fraser Lake is the recipient of an Emergency Community Support Fund Grant (ECSF) in the amount of \$2,000 for costs associated with purchase of a trailer for onsite training.

This Fund is available through a partnership with the Government of Canada, Community Foundations of Canada, Prince George Community Foundation and the Vanderhoof Community Foundation.

The RCACS is a program for youth aged 12-18 which aims to promote leadership, citizenship, physical fitness, and stimulates an interest in the air activities of the Canadian Forces.

The funds received will be used to purchase a trailer that will house equipment and training materials for use in the field.

Captain Brad McRobert, Commanding Officer for the 899 RCACS says *“with COVID-19, we are having to move more of our training both online and outside. The support from this funding will help us spend more time on fun outdoor learning activities like orienteering, hiking, bushcraft and survival where we can easily manage physical distancing for health and safety of our Cadets and staff.”*
