GOOD NEIGHBOURS COMMITTEE RECEIVES

EMERGENCY COMMUNITY SUPPORT FUND GRANT

The Vanderhoof Community Foundation (VCF) is pleased to announce that the Good Neighbours Committee, through Nechako Lakes School District #91 is the recipient of an Emergency Community Support Fund Grant (ECSF) in the amount of \$5,718 for Naloxone and Living Harm Reduction Training.

This Fund is available through a partnership with the Government of Canada, Community Foundations of Canada, Prince George Community Foundation, and the Vanderhoof Community Foundation.

The Good Neighbours Committee operates under the umbrella of the Nechako Healthy Community Alliance. Since 1999 the Good Neighbours Committee has been addressing issues of racism and advocating for a diverse, welcoming, inclusive, vibrant, progressive community for all.

The funds received will be used to access training for local people in Naloxone and Living Harm Reduction. The Good Neighbours Committee partnered with School District #91 to continue this training in the community.

Michelle Roberge, Anti-Racism Coordinator for the Good Neighbours Committee says *“funds from this grant will help people who are struggling with addiction and living in isolation due to the Covid-19 restrictions. The training people will receive may save a life of a loved one, at a time when the risk of overdose during this pandemic is heightened.”*
