

COVID 2021 Fitness Challenge – 21 April to 21 May, 2021

Event Information:

Goal: To get active and reach a collective goal of moving 2021 km during time of the event and to raise funds for the Foundation. Both Individuals and Teams can participate.

Participants can walk, run, swim, cycle, roller blade, ski – anyway that you can track kilometers. Teams must respect COVID guidelines. Kilometers reported on the honour system. Teams can include any number of family, friends, co-workers, classmates or any other group and can include residents from anywhere in the world.

Teams are encouraged to come up with a catchy name and challenge others they know in a friendly rivalry for kms covered or \$\$ raised.

New this year – Gift Baskets - thanks to the generosity of local businesses!
